

# HVHS PTSO VOLUNTEERS

## Support Our Students

Volunteers play an important role in our school community, providing practical support across a wide variety of activities, and we encourage you to become involved where and when you can. There are opportunities to fit everyone's schedule, and checking a category does not commit you. Indicating your interest on this form allows us to build a pool of volunteers for each activity whom we can contact as specific needs arise throughout the school year.

Please check the areas that are of interest to you and return this form to the PTSO Volunteer Coordinator at the school. If you have any questions, please do not hesitate to contact
